# ESD COMPLIANCE VERIFICATION TECHNICIAN TO TR53
Sept. 30-Oct. 2, 2023 *limited seats

EOS/ESD Association, Inc. established ESD Compliance Verification Technician, which is based on the ESDA's technical report, ESD-TR53 Compliance Verification of ESD Protective Equipment and Materials.

Become certified by industry leaders, developers, and authors of ESD-TR53.

The ESD Compliance Verification Technician certification provides an understanding of ESD concepts, how compliance verification fits into an ESD control program, and details all the necessary equipment, methods, and best practices to successfully conduct compliance verification within your organization.
