

EOS/ESD Association, Inc. Workshop in Chengdu

November 9-10, 2020

The Ritz-Carlton

**269 Shuncheng Avenue, Qingyang District,
Chengdu, Sichuan, 610017 China**

EOS/ESD Association is offering a new one-of-a-kind two day workshop. ANSI ESD S20.20 testing procedures and requirements featuring demonstrations, manufacturing scenarios, and questions sessions. This workshop reveals how Standards, process essential insulators and grounding are addressed with proper measurement techniques.

This workshop covers:

- Making measurements
- Testing procedures overviews addressing sensitivity classifications / Device, system-level and TLP testing - What related knowledge should an ESD control professional be equipped with? How should they collaborate with device design and FA engineers?
- Demonstrations
- Question and answer sessions
