

2027 International ESD Workshop (IEW)

Announcement and call for posters

Monday 10 May – Thursday 13 May 2027

**Akademie Westerham, Von-Andrian-Straße 5, 83620
Feldkirchen-Westerham, Germany**

Abstract Submission

16 November 2026

<https://www.esda.org/events/2027-international-esd-workshop-iew-europe/>

Focus topics

- IC & Chiplet-Level Design
- System-Level Design
- Heterogeneous Integration (2.5D/3D)
- Automotive Interfaces
- AI-Based Approaches
- EDA Tools & Methodologies
- Modeling & Simulation
- Failure Analysis
- High-Speed RF Design

Other submission topics

- ESD-EMC-SI Co-Design
- ESD Control & Process Assessment
- ESD for Emerging Technologies
- Novel ESD Protection Circuits
- ESD Protection Modeling
- Advanced ESD Test Methods
- Electrical Overstress (EOS)
- Statistical Analysis of ESD Data
- Reliability & Qualification

Workshop description

The 19th International ESD Workshop (IEW) is a relaxed and interactive event for discussing Electrostatic Discharge (ESD) and Electrical Overstress (EOS). Contributions ranging from completed studies to work in progress are welcome, offering a valuable opportunity to share ideas, receive feedback, and engage with experts from academia and industry. With tutorials, seminars, invited talks, discussion groups, and interactive poster sessions, IEW promotes open technical exchange, collaboration, and networking.

Submission guidelines

Submission instructions and an abstract template are available online. The abstract submission is in a format of maximum 6 presentation slides. The published proceedings of IEW will include the poster title, authors and text abstract only. The posters and slides themselves will not be published. Last minute walk-on posters are also permitted at IEW, with no peer review and no five-minute teaser presentation.

Important dates

16 November 2026 - Abstract Poster Submission

14 December 2026 - Notification of Acceptance

5 April 2027 - Final Poster Due

Location

- Conference Hotel: [IHK Akademie Westerham](#)
- 60 minutes from Munich international airport

Von-Andrian-Straße 5, 83620
Feldkirchen-Westerham
